Renewal of Accreditation

The total fees for the renewal review process are the same as the fees for initial accreditation (see fees above), less a \$1000 discount for the Application stage.

Annual Sustaining Fees

Once accreditation is granted, institutions and programs pay an annual fee to support the agency operations. The Sustaining Fees are collected at the beginning of the COMTA fiscal year (**March 1**) and will be prorated for members granted accreditation mid-year.

Institutional Members

Sustaining fees are calculated individually based on the revenue at each Main Campus and Branch Campus, as documented in the most recent audited or reviewed financial statements available on January 1 each year. The revenue amount includes tuition, any student fees, refunds and activity related to tuition. Revenue from clinic clients and other non-tuition sources may be excluded if they are itemized in the reviewed/audited statement.

Gross Revenue	Sustaining Fees
\$0-\$999,999	\$1500 + .0043 x the amount over \$200,000
\$1,000,000-\$2,999,999	\$5000 + .0015 x the amount over \$1,000,000
\$3,000,000 and over	\$8000 + .0025 x the amount over \$3,000,000

Programmatic Members

Sustaining fees for programs are calculated based on student enrollment (new students beginning the program in the previous academic year as reported on the most recent Annual Report) for each Main Campus and Branch Campus.

\$1500 for each physical location + \$30 per enrolled student that started in the prior academic year.
